

## Maple Grove Pet ReTREAT's Canine Policy

Please read the following policies carefully. Because we are affiliated with Maple Grove Veterinary Clinic, we will strongly adhere to these policies to ensure the safest environment for our guests.

- All dogs must be current on their vaccinations including: Rabies, Distemper, Adenovirus, Parvovirus, Parainfluenza and Bordetella. The Leptospirosis vaccination is not required but is strongly recommended. Written proof of vaccinations or verification with pet's veterinarian must be provided prior to boarding.
- All dogs need to have a stool sample tested for intestinal parasites within the past 6 months prior to camping with us. If dogs have loose stool/diarrhea during their stay, they may, at doctor's discretion, have a parasite screening performed at the owner's expense. If parasites are found they will be treated immediately.
- We reserve the right to prohibit admittance of pets lacking proof of vaccinations, and/or pets displaying signs of untreated or potentially contagious conditions, and/or aggressive behavior. We reserve the right to charge handling fees for excessively difficult/aggressive pets requiring additional staff and/or time in the order of delivering proper care.
- We strongly recommend all dogs to have monthly flea preventative applied prior to your pet staying with us. This is to protect your pet as well as our other campers.
- We strongly recommend all dogs be current on their heartworm test (within the last year) and currently be receiving heartworm preventative.
- If your pet is going to be dropped off by someone other than you, please make sure with our office that everything is in order for your pet's stay as far as vaccinations and that we are aware that someone else will be dropping your pet off.
- If your pet is to be picked up by someone other than you, arrangements must be made with our office staff prior to pick up or drop off regarding billing.
- Owners are welcome to bring toys and food. Avoid bringing valuable items. You do not have to bring feeding bowls as we provide them for you. We recommend labeling your pet's belongings. We are not responsible for lost or damaged items.
- Each guest is fed twice daily unless otherwise directed. We encourage you to bring your pet's own food, if not we will provide Purina ProPlan at an additional charge.
- All reasonable precautions will be used to prevent injury and escape of your pet. Maple Grove Pet ReTREAT is not responsible for the actions of the pet that may cause injury and/or escape.

- Pick up and drop off is available Monday through Thursday from 8-9 am, 1-2 pm, and 5-6 pm, Friday 8-9 am and 2-6 pm and Saturday/Sunday mornings between 9 -10 am and evenings between 6 -7 pm. There will be no pick up or drop off hours on Holidays.

All Pet ReTREAT guests are provided with their own private 4X6 kennel for \$23 per night or 6X6 kennel for \$26 per night (unless otherwise arranged). Each camp site has a raised bed. The camping area is temperature regulated with heat and central air. All of our guests will be allowed outdoors a minimum of twice daily either alone or with other family member's pets that are camping with us as well, if desired.
